Phone: 920-864-2815
Fax: 920-864-2867

Dear Valued Customer:

This is to inform you of a voluntary product recall from one of our cheese suppliers. This recall has been initiated because the cheese possibly may have been produced with milk that was not pasteurized sufficiently. This claim has not been confirmed, nor has there been any report of illness caused by this cheese. However, we are taking precautionary action by asking you to abide with our recall procedures.

Attached is a list of products that are included in the recall. All flavored monterey jacks listed should be returned, regardless of date. The flavored cheddar that needs to be returned only applies to the following:

- 5# cuts with a pack date after 12/15/17
- 1# retail with a sell by date after 12/15/18

Our records show that you have purchased at least one of these products from us within the past year. Please examine your inventory and hold any product subject to recall. In addition, if you may have further distributed this product, please notify your customers of this recall.

Be assured that there have not been any reports of illness caused by this cheese.

All recalled product can be returned to Laack Cheese Co. for a full refund.

I apologize for any inconvenience this may cause you. If you have any questions, please contact me 920-864-2815 or email me at llaack@baycomwi.com.

Sincerely,

Jeff Laack
