No illnesses have been reported in connection with the product above. This potential problem was revealed as a result of a random sampling by the Michigan Department of Agriculture and Rural Development. Although we have not received the final laboratory reports, Ziyad Brothers is taking the precaution of recalling product with those lot codes listed above.

If you are receiving this letter, it means our records show you might have received one of the lots shown above. Please examine your inventory immediately and remove any product matching these lot numbers from your shelves.

Your prompt assistance is important and appreciated.

Best regards,
Ziyad Brothers Importing
