

URGENT FOOD RECALL

December 5, 2018

Dear Valued Customer:

Danone North America is voluntarily recalling one SKU of Light & Fit Greek Crunch Nonfat Yogurt & Toppings sold in the United States:

Product Name	Date Code	UPC
Light & Fit Greek Crunch Nonfat Yogurt & Toppings S'Mores Flavor	Dec 30, 2018	3663203825

The above-mentioned product is being recalled because some toppers for another product were wrongly applied during production on the cups of Light & Fit® Greek Crunch S'mores flavor. The wrongly applied toppers contain peanuts and the label of the finished product does not state the presence of peanuts. People who have an allergy to peanuts run the risk of serious or life-threatening allergic reaction if they consume these products.

We need your cooperation to remove from sale and destroy the product affected by this voluntary recall action. Please respond to us about the progress of removal and destruction of this product so that we may properly catalogue how much, if any, of this product is in your possession and how it has been removed from sale. This will allow us to keep FDA apprised of the effectiveness of the recall.

ONLY the following product is included in this recall (date codes circled)

We are asking that you immediately remove this product. **NO OTHER UPC CODES ARE INCLUDED IN THIS ACTION.**

Please REMOVE this product from your store shelves and DESTROY it, complete the attached recall response form, and contact your Danone North America representative Justin Dilla at 303.365.4253 or Justin.DILLA@Danone.com if you have any questions. If you may have further distributed this product, please identify your customers and notify them at once of this product recall. Your notification to your customers may be enhanced by including a copy of this recall notification letter.

We are currently taking steps to minimize any inconvenience this may be causing and can assure you that future shipments of this SKU will conform to our quality expectations.
